Classical Greek: When the Past blends with the Future

Dear Sir/Madam,

On behalf of the Founder and CEO of PeopleCert, **Mr. Byron Nicolaides**, we would like to invite you to join us at our upcoming virtual symposium “**Classical Greek: When the Past blends with the Future**” on **20 December, 17:00EE**.

The symposium is taking place in celebration of a series of **successful initiatives, spearheaded by PeopleCert** throughout 2021, which ignited renewed excitement around Classical Greek. Starting back in May 2021, PeopleCert presented the launch of the **Global First Certification of Classical Greek** and all exams were offered free of charge throughout 2021, in recognition of the Bicentennial of the Greek Revolution. Following this launch, the Certification of Classical Greek portfolio has been further enriched with a new certification level.

The symposium will focus on **the universal, timeless nature of Classical Greek and the challenges and opportunities involved in teaching it internationally**.

Five world-leading Classical Greek professors will come together online, to present their experiences in teaching Classical Greek and will explore with attendees’ opinions around the applications of Classical Greek in everyday life.

Keynote speakers:
